## **BREWARDS**

---

**bRewards** is a program that rewards our members, who introduce other businesses to join the Bartercard ecosystem. These can be businesses you want to trade with yourself, or any business you know that could benefit from new customers through being promoted to the Bartercard membership.

EARN • REDEEM • SAVE

The bPoints you earn can be redeemed for gift cards, travel vouchers, digital products or a discount off your service fees.

# EARN BPOINTS

Grow your Bartercard ecosystem with businesses you want to trade with and bRewarded at the same time. It's easy to introduce a new business.

- **Provide a Lead (that joins) and earn 1,500 bPoints\***  
Simply fill in the details of your nominated business, let them know you have nominated them and that we will be in touch and then let us do the rest.
- **Provide an Introduction (that joins) and earn 2,500 bPoints\***  
Lend a hand to link your Business Development Manager with your nominated business and bRewarded. You set the appointment for the three parties, we'll buy the coffee. Haven't got time? Choose the introduction by email option and we can all e-meet to get things started.
- **Induct a fellow business owner and earn 5,000 bPoints\***  
Already discussed Bartercard with your nominated business? They are ready to go? Perfect. Thanks. Fill in the details and we will send them a short video and application form with a very special offer. They can apply online within minutes. You then earn the ultimate reward!
